ARE YOU LOOKING FOR A CHALLENGE?

Perhaps you have noticed that there are articles about different churches in the Sentinel. We would like to put an article in the Sentinel about this church. Please write an article and submit it to Bonnie Weidman or Betz Elliott. Thank you for your use of the talent that God has given you to help make our church known throughout the community.

Telex Listening System is available for your use. The system consists of a base station transmitter (located in our sound cabinet) and thirteen personal receivers (available in the rear of the sanctuary). This system allows complete freedom of movement and is simple to operate. Please feel free to use this system. The directions are on the box.

Large print bulletins are available each Sunday at the rear of the sanctuary next to the hearing assistance devices.

Visit www.bspresby.org for information about our church. Regular features include a link to the Service of Worship and church events. You can also print a calendar as a handy reference.
